

MEMORANDUM

TO: Members, Indiana Professional Standards Board

FROM: Jane Boultinghouse, Chair, Standards Committee

DATE: March 19, 2003

RE: Standards for Teachers of Family and Consumer Sciences

At its February 4, 2003 meeting, the Standards Committee heard a presentation by Peggy Wild, State Specialist for Family and Consumer Sciences Education, regarding the edited draft of the *Standards for Teachers of Family and Consumer Sciences*. This draft of the standards was based on feedback from stakeholders. Family and Consumer Sciences is currently approved as a strand under Career and Technical Education in the *FRAMEWORK FOR INITIAL LICENSURE OF PROFESSIONAL EDUCATORS IN THE STATE OF INDIANA*, and these standards complement Standard 2 and Standard 4 of the *Standards for Teachers of Career and Technical Education*. (The *Standards for Teachers of Vocational Education* have been renamed the *Standards for Teachers of Career and Technical Education* by the Standards Committee to align with the name of the licensing area.)

Based on this presentation, the Standards Committee recommended that the edited draft of *Standards for Teachers of Family and Consumer Sciences* be approved as appendices under the *Standards for Teachers of Career and Technical Education*.

Committee Recommendation:

The Standards Committee recommends that the attached *Standards for Teachers of Family and Consumer Education* be approved as Appendices A and B under the *Standards for Teachers of Career and Technical Education*.

Professional Standards Board Action:
